This figure is a detailed topographic map of the Canelli area, showing the town and its surrounding hills. The map is overlaid with various infrastructure and service data. Key features include:

- Topography:** Contour lines indicating elevation, with the town situated in a valley.
- Water Features:** The Tanaro River and several smaller streams (e.g., Rio Canelli, Rio Fontana) are shown in blue.
- Infrastructure:** Roads (e.g., SS9, SS102) and railway lines are depicted. The town's layout, including buildings and parks, is shown in grey.
- Services and Infrastructure (Legend):**
 - STRUTTURE - IMPIANTI:** Distributors (black squares) and main activities (red squares) are marked throughout the town.
 - SERVIZI IDRICI:** Water wells (blue squares) and the sewerage network (purple dashed lines) are shown.
 - IMPIANTI ELETTRICI:** The electrical grid (orange dashed lines) is overlaid on the map.
- Scale and Orientation:** A scale bar at the bottom left indicates distances up to 1,000 meters. A north arrow is located at the bottom right.
- Inset Map:** A detailed inset map in the bottom right corner provides a closer view of the town center, highlighting the dense network of services and infrastructure.
